Make every event a winner with this powerful indoor/outdoor music machine!

Whether before the game or a fun gathering in your backyard, you can count on Game Day Party to make any event a winning occasion. Boasting a 2-way speaker system and 50-watt dynamic power amplifier, your music will always sound its best. With its IPX5 water-resistant rating, with Game Day Party, there's no such thing as a rain delay! The built-in lights pulse to the music for exciting visual effects. You can stream music from any Bluetooth®-enabled device, and there's a long-life (50 hour) rechargeable battery. The special ION Sound XP™ app lets you control the audio and lighting functions from your phone. Game Day Party always delivers a big win.
