Wireless Water-Resistant Speaker System

# ION<sup>®</sup>

NOW WITH:  
**BASS  
BOOST**

## Enjoy non-stop streaming music, in any weather!

When you want to enjoy great times outdoors in any weather, Sport XL is the way to go. This rugged, water-resistant, rechargeable speaker streams your favorite music from any Bluetooth<sup>®</sup>-enabled device and pumps out great sound through its 8-inch 2-way speaker system powered by a 100-watt dynamic power amplifier. Its special bass boost button really delivers the punch. Sport XL has a built-in AM/FM radio with presets so you'll enjoy catching the game or that great oldies station, and afterwards, use the high-quality microphone to create your own memorable events.

With two USB charge ports to recharge your devices, an Aux input for non-Bluetooth devices and a telescoping handle and built-in wheels, Sport XL is as convenient to use as it is exciting to hear!

- 100-watt peak power amplifier with Bass Boost button
